

DLP HOUSING FUND

THE GOAL

Make an impact on America's affordable housing crisis

- Focus on "missing middle," i.e. attainable rental housing for those making incomes near the AMI (area median income)
- Goal of offering tenants <30% rent-to-income ratios (no more than 30% of income spent on rent)

THE STRATEGY

Preserve attainable rental housing through investments in existing value-add communities

- Invest in the acquisition, management, financing, and improvement of income-producing, attainable rental housing
- Invest in the asset classes and markets where we have deep expertise and experience

THE INVESTMENTS

Primarily equity investments into existing build-to-rent (BTR) single-family, multifamily, and RV communities

- Focus on secondary and tertiary markets in the Sun Belt with strong demand for attainable rental housing
- Growth-oriented investments structured to provide strong growth, limited volatility and tax shelter to investors

FUND HIGHLIGHTS

Open-ended, private real estate fund that enables the Manager to acquire longer hold assets designed to provide greater returns to investors.

Tax sheltering as investors benefit from depreciation on real estate, offsetting taxable income and the ability for the fund to enter into 1031 tax-deferred exchanges.

Annual redemptions provide the ability to exit/redeem in whole, or in part, based on investors' timing without a long-term lockout or forced asset disposition and wind-down of the fund.

All invested capital is in a preferred position, with equity subordinate to the fund on all deals. This position means our investments carry payment priority over common equity investors.
